

Students Change Hunger 2017

Please join Do Something Club in supporting John Witherspoon's annual food drive. All food is donated to Mercer Street Friends Food Bank.

The Challenge

Our challenge is to collect the most food in the state of New Jersey. The school that collects the most food, embodies the most spirit, and is the most creative will help their local food bank be awarded \$5,000! The winning school will be honored with the Governor's Cup as recognition for outstanding service to their community.

Homeroom Challenge

Do Something Club will run a homeroom challenge between the weeks of October 16 and November 15. The top three homerooms that collect the most food with the most spirit for helping will earn a prize! Each dollar equals one pound.

Third Place:

A pretzel gift certificate. Each student will win a gift certificate good for one free pretzel at the next pretzel sale

Second Place:

A pretzel party. The homeroom will earn a pretzel party with fun dips and drinks

First Place:

A Trip and Pizza Party. The homeroom will earn the opportunity to visit Mercer Street Friends to deliver the food and help stock the shelves. Students will enjoy a pizza lunch afterwards and an opportunity to reflect on how JW's contributions will help our neighbors in need!

Details:

Students can donate all food to their homeroom box. Non-perishable food only and please avoid glass containers. Do Something Club ambassadors will visit homerooms several times a week to count donations and collect food.

All money should be sealed in an envelope labeled with the student's name and homeroom name. Checks should be made payable to **Mercer Street Friends** with **John Witherspoon** written in the memo line.

Each week, Do Something Club will announce the top five leaders.
